PETER MUHLENBERG

Life-Size Bronze Statue by Sculptor,
Gary Casteel

Commissioned by the Town of Woodstock to be the focal point of our beautiful new downtown renovation, this life-size, bronze statue of Peter Muhlenberg will be an inspiration for generations to come.

Sculpted by nationally recognized artist, Gary Casteel, whose works include the Longstreet Memorial in Gettysburg, PA, and the life-sized figures of Abraham Lincoln and Jefferson Davis for the Kentucky State Memorial at Vicksburg National Military Park, among many others, this memorial is sure to be one of Woodstock's highlights.

The money raised by brick sales for The Shenandoah Heritage Walkway will help finance this truly, one-of-a-kind, work of art. Thank you for your support!

The Shenandoah HERITAGE Walkway

(artist's concept sketch)

(artist's concept sketch)

Two-hundred and twenty-two years ago, Peter Muhlenberg delivered his famous “a time for war and a time for peace” sermon in a church formerly located in the intersection of Court Square. To honor this historic event and celebrate the exciting, new streetscape, personalized bricks will be sold to the public for The Shenandoah Heritage Walkway at \$75 each.

Don't miss this opportunity to actually become a part of Shenandoah's rich history. Purchase a brick to commemorate a special event such as:

- Birthday or new birth
- Graduation
- Wedding or anniversary
- Business/Organization
- Memorial to a loved one
- Pet memorial
- Tribute or retirement
- and many more.....

Your contributions to this Community legacy project are tax deductible. In addition, the money raised from the brick sales for the Walkway project will go towards a one-of-a-kind commissioned statue that is sure to be the focal point of the entire project (turn to the back of the brochure for more details).
